

Optimists Die First (Paperback)

Filesize: 8.88 MB

Reviews

Here is the best publication i have got go through until now. It is actually writter in simple phrases and never hard to understand. I realized this publication from my dad and i suggested this ebook to find out.

Ember, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Award-winning author Susin Nielsen has written a laugh-out-loud and heartrending novel for fans of Robyn Schneider's *Extraordinary Means* and Cammie McGovern's *Say What You Will*. Beware: Life ahead. Sixteen-year-old Petula de Wilde is anything but wild. A former crafting fiend with a happy life, Petula shut herself off from the world after a family tragedy. She sees danger in all the ordinary things, like crossing the street, a bug bite, or a germ handshake. She knows: life is out to get you. The worst part of her week is her comically lame mandatory art therapy class with a small group of fellow misfits. Then a new boy, Jacob, appears at school and in her therapy group. He seems so normal and confident, though he has a prosthetic arm; and soon he teams up with Petula on a hilarious project, gradually inspiring her to let go of some of her fears. But as the two grow closer, a hidden truth behind why he's in the group threatens to derail them, unless Petula takes a huge risk. . . Praise: Nielsen writes with sensitivity, empathy, and humor. --Kirkus Reviews, Starred Nielsen excels at depicting troubled, clever teenagers in familiar environments. --School Library Journal, Starred [An] empathic and deeply moving story, balanced by sharply funny narration and dialogue. --Publishers Weekly, Starred A poignant exploration into the nuances of healing. --Quill and Quire, Starred.
