Brand New Book. Telzey Amberdon was only in her teens when she discovered that she was a telepath. Not only a telepath, but a xenotelepath, able to communicate mentally not just with humans, but with alien intelligences. And she turned out to be one of the most powerful telepaths in the history of the galactic civilization called the Hub. First she had to deal with an alien race that humans hadn't realized were intelligent, and who were about to eliminate those troublesome humans who thought they were colonizing an uninhabited world. Then, she had to fend off the secret psi agents of the Psychological Corps who took a dim view of any telepath, let alone one with Telzey's powers, operating outside of their control. Next, she stumbled across a telepathic serial killer, who used an unstoppable predator, under his mental control, to hunt and kill his victims -- and Telzey was to be the catch of the day. It was fortunate for the human race that she...
