Wright Consulting Services, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Imagine waking up every morning hoping to find a way out of your life. You can't move forward but you can't go backwards and you start to feel trapped! Everyone else is too busy to address your hurt. No friends! No love! No acceptance! Your nights are sleepless and tears fill your eyes from the burdens of life. You're screaming at the top of your lungs believing that no one, not even God, can hear you. This book provides hope and help to anyone struggling with suicidal thoughts or who knows someone struggling with thoughts of suicide. It talks about how God can shift any mindset from a life of misery and depression to one filled with everlasting joy and fulfillment. This book talks about how to conquer the battle of the mind and suggests ways to uproot rejection and be rooted in God's love. This book provides tangible ideas and daily challenges to help improve quality of life. The book includes a workbook and journal to help address various goals, issues, and...
