We are constantly told to be proud of how we look and to always be confident. Often times we are told to be proud of ourselves by people who aren t proud of themselves. What I mean is that you will see an influential individual share an image of flawless skin and beautiful long flowing hair with a caption of love me with all my flaws and all. If you are indeed proud of these flaws why are they hidden? This poetry book dives into the poetic mind of queens. We know what we want and we want to share our thoughts with the world through poetry. If you are wearing a fake crown my queen this book will help you to embrace your natural crown.
