Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Kit Colbana - half breed, assassin, thief, jack of all trades - has a new job: track down the missing ward of one of the local alpha shapeshifters. It should be a piece of cake. So why is she so nervous? It probably has something to do with the insanity that happens when you deal with shifters - especially sexy ones who come bearing promises of easy jobs and easier money. Or maybe it s all the other missing kids that Kit discovers while working the case, or the way her gut keeps screaming she s gotten in over her head. Or maybe it s because if she fails - she s dead. If she can stay just one step ahead, she should be okay. Maybe she ll even live long to collect her fee.
