PROTECTING SQL SERVER DATA

Red gate books. Paperback. Condition: New. 268 pages. Dimensions: 9.2in. x 6.1in. x 0.7in. For as long as there has been something to communicate between two persons there has been data. Today, vast volumes of it are gathered about almost every individual and business. It is the information that we provide when we sign up for an account at our favorite website, fill out a job application, or apply for a mortgage. These valuable, often sensitive, data assets are stored in...
