We have other titles in this genre in stock and give discounts in shipping on additional books sent in the same package. .Summary - Was it really a city of love and lovers? As a children's nurse in a British diplomat's home, Noelle found her duties ordinary indeed. But Paris, the city of her birth, more than compensated. Then she met a delightful artis, Alain de Bressac - only to be immediately warned against him by Mark Fielding, a close friend of her employers. Why? Could the debonair Englishman be interested in Noelle himself? No, that seemed far too unlikely to hope for.
