Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Growing up, Rory was a rebellious, imaginative, spiritual, and lonely child. While he had his family around him, he had very few friends. Growing Up in Africa: A Short Story of Self Discovery in an Age of Innocence tells the charming story of a young boy and his journey to self-discovery through his interactions with the unique aspects of African life. From safaris to cobra encounters and schoolyard fights to kissing parties, his life was normal enough to get by yet exciting enough to truly stand out. Filled with adventure, introspection, and a subtle spirituality, Growing Up in Africa is an enjoyable tale of...
