

## A Game of Simon Says: Latin Americas Left Turn and Its Effects on Us Security: Wright Flyer Paper No. 31

By Lieutenant Commander, US Navy, J. Lee Bennett

Createspace. Paperback. Condition: New. This item is printed on demand. 36 pages. Dimensions: 8.7in. x 5.8in. x 0.4in. A little over 200,000 votes in Mexico's 2006 presidential election determined whether or not the United States might soon share a border with a potentially communist country. A closer look reveals Mexico was nearly another domino in a rash of leftism that is sweeping through Latin America and the Caribbean (LAC). In fact, there are as many leftist countries in the LAC region today as there were in Eastern Europe at the height of the Cold War. This research will determine why leftism is on the rise and whether US national security is being threatened. The causes are a combination of extreme inequality with regards to income per capita, an increased awareness among the populace as to its unequal situation, a poor display of US foreign policy, and an increase in education levels throughout the region. In short, Latin Americans are smarter, poorer, and angrier with the United States for its inattentiveness since the end of the Cold War. The Bush administration's association of democracies with US national security is shown to be questionable. Hugo Chavez and Evo Morales were both democratically...
