Brand New Book ***** Print on Demand *****. *Includes pictures *Includes accounts of the fighting *Includes online resources and a bibliography for further reading *Includes a table of contents Marching through the streets of downtown Los Angeles, a mob of several thousand soldiers, sailors, and civilians, proceeded to beat up every zoot suiter they could find. Pushing its way into the important motion picture theaters, the mob ordered the management to turn on the house lights and then ran up and down the aisles dragging Mexicans out of their seats. Streetcars were halted while Mexicans, and some Filipinos and Negroes, were jerked from their seats, pushed into the streets and beaten with a sadistic frenzy. - Carey McWilliams, journalist Even enemies will agree that the United States is a unique nation, in that its culture has been developed almost entirely by immigrants, people who have come to the country from other places and carved their way into society. Sometimes called a melting pot, sometimes a tossed salad, the nation has been shaped by all that is good and bad of the people who live here. Sadly, history has taught that where there is immigration, there will always be conflict. Just as any newly married couple will argue over whose family to spend the holidays with, so those coming from different nations and cultures will clash over which traditions can be integrated into the new society and which ones must be left behind. One might think that after some 400 years of dealing with these issues, the nation would have mastered the subject, but instead the opposite seems true. In the early days of 2016, Americans are engaged in a heated presidential campaign fraught with rhetoric and fear...
