We like even less to talk about the fact that the experience that faith does not automatically heal it. This is a problem, but what if it does not have to be that way? What if we can tap into loneliness as a source of personal empowerment? In *The Power of One*, Anette Ejsing makes exactly this case. Arguing from the perspective of a theology of suffering, she encourages each of us to tell our stories of loneliness from the perspective of the end God has in mind for us. This means accepting and embracing loneliness as a means through which God raises us up and strengthens us to persevere in joy and faith. Learning to do this is a privilege that gives us the opportunity to experience loneliness as a source of personal empowerment. Endorsements: This is a wonderful book of wisdom.
