HarperCollins Publishers Inc, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The mind of Ray Bradbury is a wonder-filled carnival of delight and terror that stretches from the verdant Irish countryside to the coldest reaches of outer space. Yet all his work is united by one common thread: a vivid and profound understanding of the vast set of emotions that bring strength and mythic resonance to our frail species. Ray Bradbury characters may find themselves anywhere and anywhen. A horrified mother may give birth to a strange blue pyramid. A man may take Abraham Lincoln out of the grave--and meet another who puts him back. An amazing Electrical Grandmother may come to live with a grieving family. An old parrot may have learned over the long evenings to imitate the voice of Ernest Hemingway, and become the last link to the great man. A priest on Mars may confront his fondest dream: to meet the Messiah. Each of these magnificent creations has something to tell us about our own humanity--and all of their fates await you in this new trade edition of twenty-eight classic Bradbury stories and one luscious poem. Travel on an unpredictable and unforgettable literary journey--safe in the hands of one of the century's great men of imagination.
