

## Yosemite (Paperback)

---

By Audra Wallace

C. Press/F. Watts Trade, 2017. Paperback. Condition: New. Language: English . Brand New Book. Millions of years ago, rivers and glaciers carved a deep valley through the Sierra Nevada mountains in California. Today, we know this region as Yosemite Valley, the centerpiece of the world-famous Yosemite National Park. Readers will get an up-close look at the parks roaring waterfalls, towering trees, and jaw-dropping rock formations. They will also learn about the parks history, local wildlife, and more.

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
