

Being Christian in the Twenty-First Century (Paperback)

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

BEING CHRISTIAN IN THE TWENTY-FIRST CENTURY (PAPERBACK)

DOWNLOAD

Wipf Stock Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book. Being Christian in the Twenty-first Century was written to help struggling and doubting Christians develop an understanding of Christianity that avoids literalism, creeds, and doctrines--all factors which seem to be driving people away from the church. The book is well suited for individual or group study, complete with a study guide and sample lesson plans. It responds to the call for theological reform advocated by many contemporary clergy and religious leaders. Being Christian does not restate orthodox positions or drift into fundamentalism or sentimentalism. Instead it draws from a broad base of historical, theological, archaeological, and sociological scholarship to place Scripture within its original context, yet present it within a perspective suitable for the twenty-first-century mind. Being Christian is scholarly, yet readable, interesting, and often provocative. One reviewer put it this way, the book reminds me of a baseball pitcher with a long wind up and a hard fastball getting better in every inning. By building upon progressive thought available today and throughout history, it offers an important resource for Christians and would-be Christians seeking a more fulfilling and thoughtful faith journey. Born of a questioning faith and informed by rigorous scholarship, Being Christian in the Twenty-First Century is *fides quarens intellectum* (faith seeking understanding) at its best. Gould's work is as valuable to the emerging church as that of Marcus Borg, John Dominic Crossan, and John Shelby Spong. --Tom Stella, author of *Finding God Beyond Religion* Sam Gould turns back to the future by offering a progressive interpretation of biblical texts and traditional church teachings that contemporary Christians can embrace as rational, ethical, and humanist. He writes for those who wish to be Christian without forfeiting their critical intelligence or liberal morality. While Gould asserts...
