The Cultivated Oranges and Lemons, Etc. of India and Ceylon: With Researches Into Their Origin and the Derivation of Their Names, and Other Useful Information (Classic Reprint) (Hardback)

By Emanuel Bonavia

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Cultivated Oranges and Lemons, Etc. Of India and Ceylon: With Researches Into Their Origin and the Derivation of Their Names, and Other Useful Information The reader will understand that the grouping of these citrus, is in some cases rather arbitrary, for want Of sufficient knowledge of the different varieties. This is the case especially with the lemon group. The smaller varieties resembling the limes proper would form an interesting study for anyone with leisure, and a garden in which he might grow them both from seed, and in other ways. The chapter on morphology is entirely speculative, and may possibly be found Of little value. In investi gating anything, new ideas seem to be called up in one s mind beyond what is immediately visible. These have sometimes led to new standpoints for further investigations. It does not, however, follow that these new ideas always turn out true, or that it is wise to record them. In connection with these speculations about the citrus, I have entered upon some explana tions, according to my views, on three allied genera the...
