On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nothing says home like a home-cooked meal, and food plays such an important role in the journey of our lives. But if you make more than 3 dishes you probably have a pile of go-to recipes floating around your kitchen, computer, or phone. The problem with that, especially if you re a foodie like me, is keeping all of those recipes straight can be a real hassle! Before the internet our moms and grandmothers had card boxes and big 3-ring binders that EVERYTHING fell out of. Then we moved on to recipe boxes on our favorite websites, then pinning, and bookmarking, and storing on Google drives. But if you re like me this is still an organizational nightmare! And personally, I m putting my computer, phone, or tablet in peril every time I cook with it. (I ve ruined 3 laptops by spilling various liquids in the keyboard and we won t talk about the number of times I ve dropped my phone in the middle of a pile of ingredients)! So how the heck do you keep everything organized and USABLE without jeopardizing your electronics?! Simple! Mix a dash of old school with a pinch of modern. and voila! Recipe Journals are the perfect way to keep organized and have your recipes handy. Step 1 - Find your favorite recipes on the internet Step 2 - Print them off and paste them in the book Step 3 - Record the recipe title and the page number in the Table of Contents (yes the pages are all numbered, and yes there is a table of contents at the beginning) - When you find a recipe in a magazine, simply cut it..
