By Christopher Bush

Dean Street Press, United Kingdom, 2017. Paperback. Condition: New. New edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Let us know when you re dead! Ludovic Travers had known it was a publicity stunt, all that business about the anonymous threatening letters. He expected a hoax but what he found was two men lying dead on the floor of Crewe s bedroom. To be confronted with murder at eight in the morning was no joke. Norris, the quiet, steady Inspector of Scotland Yard, certainly didn t think so, although during the weeks he and Travers sought to puzzle it all out, he many times remarked, It was on April Fool s Day, don t forget that. This is one of Bush s masterpieces - an intricate and baffling country house murder mystery. The Case of the April Fools was originally published in 1933. This new edition features an introduction by crime fiction historian Curtis Evans.
