FBC LTD, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Medical Report of the Society of the Lying-in Hospital of the City of New York, 1897 IN presenting the following Report, the Medical Board wishes again to call attention to the fact that this Hospital is an institution the purpose of which is to teach obstetrics quite as much as to conduct a work of charity. It has, therefore, seemed proper to describe at some length the methods of instruction in use at the Hospital, and also the system of taking histories and recording statistics. The clinical basis of this Report is derived entirely from the outdoor service of the Hospital. Following the articles on methods of instruction is a statistical synopsis which covers a period of six years, from the beginning of the present system in the Midwifery Dispensary at 311 Broome Street, to April 1, 1896. This statistical synopsis includes the figures in the two Reports of the Midwifery Dispensary issued in 1891 and 1892, and also the figures of a similar synopsis published by this Society in a medical report in 1893. There are also presented here articles based upon the cases in the service of the Hospital, by members of the Medical Board. In addition, articles have been contributed by the heads of the special departments, and by the assistant attending physicians. Regarding the articles contributed by officers who are not members of the Medical Board, it may be said that the opinions therein stated are the opinions of the individual writers, and are not necessarily endorsed by the Medical Board. Such articles have been more or less carefully supervised, but there has been no attempt to influence or restrain the opinions of the...
