

Family Literacy and Learning (Primary Professional Development)

By Walton, Mike; MacTier, Alison

Folens Publishers UK, U.S.A., 1998. Soft cover. Condition: New. The Folens Primary Professional Development series offers teachers, Heads and others working in primary education a sharp focus on contemporary professional development topics. The series is designed to give the reader a concise view of the topic, together with clear guidance for practical action in school and to provide examples of good practice. Family Literacy and Learning is about building relationships between parents and careers in the teaching of literacy both to pupils and other members of their family. Based on the Education Extra/Roald Dahl Foundation Family Literacy project, the book demonstrates the numerous ways in which involving family members in the teaching of literacy can have a positive effect on achievement. The book contains guidance on setting up and running a project within a primary school, and is fully illustrated by case studies and evidence from the project.
