Createspace, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How to Become a Genius In this book, you will learn not only what makes a genius a genius, but how you can become a genius as well. A huge and yet common misconception is that geniuses are born, not made. This couldn't be any further from the truth. Anyone is fully capable of becoming a genius, but only if they unlock their fullest creative mindset and adopt the right mental habits. How is this possible? That's what this book is here to show you. With the creative mindset and mental skills in this book, you will learn more than just how to come up with a new, imaginative idea. You will learn how to repeatedly shatter commonly perceived views with new insight and understanding. The insight and knowledge that you will learn in this book are fully capable of being adopted by anyone, but unfortunately in the repeated ignorant societies throughout the course of human history, they have only been adopted by few. While the great geniuses of history may have been ridiculed at their time, the knowledge that they gained and shared with the world became taken for granted by later generations. This book will teach you how you can find new knowledge on your own that will in turn be taken for granted by future societies and generations. 7 Reasons to Buy This Book 1. You'll learn what officially makes a genius a genius 2. You will learn how you can start thinking like a genius 3. You will fully understand the awesome power of creative thinking 4. You will learn daily exercises that will allow you to unlock that creativity 5. While there have been geniuses in all...
