Amacom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every company faces the inevitable challenge: stagnate or grow. One of the fastest ways for small- and mid-size companies to expand is through acquisition. Purchasing another company can seem daunting--but when done right, it can deliver outstanding rewards. *Successful Acquisitions* supplies the key information that business leaders need to know about finding and buying companies. Written by an MA expert with more than \$1 billion in transactions under his belt, the book's practical and comprehensive approach integrates all the moving pieces into a logical step-by-step process that covers: - The art and science of researching companies - Building and balancing an acquisition team - Valuation tips that look beyond the obvious - The importance of the seller's equation - Developing a negotiation platform - How to be tough and still protect the buyer-seller relationship - Guidelines for structuring an airtight deal - The letter of intent, due diligence, purchase agreement, funding, and other essentials - Bringing the deal to a timely close - A 100-day plan for making integration a success It's all here. From building the foundation to growing the relationships to cementing the deal, *Successful Acquisitions* is a complete roadmap to buying companies and achieving proactive strategic growth.
