

## The Story of the Maize Plant (Classic Reprint) (Paperback)

Filesize: 6.05 MB

### ***Reviews***

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

*(Dr. Kayden Gerlach)*

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Story of the Maize Plant The reliable literature on maize is voluminous, but it is so widely scattered in textbooks and periodicals, and so intermingled with the unreliable, that it is often a hopeless task for the technical worker in other fields, or for the casual reader, to bring a particular unit of the material together and to separate the grain from the chaff for any definite purpose. A dozen or more monographs of the species have appeared in different countries in the past century, but they do not answer satisfactorily today the questions that the reading public is asking. Some have not yet been released from the foreign languages in which they were written, and are often couched in terms of the prejudiced or distorted point of view of the investigator where maize is known only as an exotic curiosity; others are out of step with modern scientific tendencies; and still others, the majority of the list, in fact, are so dominated by economic interest that their theme is man rather than maize. No claim is made for completeness or perfectly rounded proportion in this treatment. These are but relative terms anyhow, and judgment must be individual. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
