Pocket Books, New York, 1999. Mass Market Paperback. Condition: New. First Edition. Captain Janeway and the USS Voyager is ambushed and pressed into service as part of the Edesian Fleet in their war against the enemy Gimlon. The Edesian commander claims that the Fleet is fighting only to defend his people against a merciless invader, but Janeway is suspicious. War, she has learned, is seldom so simple or black-and-white. Book is new and unread (but the pages edges are going light brown).
