Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Briggs, the last String Keeper, recruits a reluctant team to embark on a time traveling mission to defeat a group of dark entities. Earth s vibration needs to be raised to wipe them out. The team consists of three major players. Abigail is a teenager searching for ways to fit into this world, while Naomi, a recent widow who teaches horseback riding, is searching for ways out. Sergius, a caretaker of horses during Roman times, meets a talking horse trying to convince him that he isn t going crazy. The three are assisted by some quirky guides. Their bond with horses draws out their inner power and strength, as they negotiate this challenging journey. Are humans destined to be drained of their joy or will the trio be successful?.
