A POLICY AND LOWER BOUND FOR SCHEDULING APPOINTMENTS (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Policy and Lower Bound for Scheduling Appointments In Section 3 of this paper, we construct a suboptimal scheduling policy by iteratively calculating the probability distribution of a patient s service completion time and then de riving a myopically optimal appointment time for the next patient. Dynamic programming is employed in Section 4 to derive a lower bound on the optimal objective...

Reviews

Great e-book and beneficial one. I am quite late in start reading this one, but better then never. You may like how the author publish this ebook.

-- **Mr. Alexandro Lemke MD**

It in a of the best publication. It really is rally intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- **Dr. Pat Hegmann**

It in one of my favorite publication. It is among the most awesome publication i have go through. I am just quickly will get a delight of reading through a published publication.
