Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manures for Fruit and Other Trees: A Practical Handbook for the Gardener, Horticulturist and Student This book is not a treatise on manures, but gives an account of the manures for fruit and other trees, the ash-constituent of trees, and the most suitable soils for the cultivation of trees and shrubs. The art of manuring - and truly a great art - is of the utmost importance, and no gardener or cultivator, amateur or professional, can dispense with it - in fact it is a sine qua non to every cultivator of trees, fruit and flowers. The origin of this art is of great antiquity, and only survives in the traditions of the great centres of civilisation of bygone ages (Chinese, Indian, Persian, Egyptian, Greek and Roman).
