## The Other End of the Stethoscope: The Physician s Perspective on the Health Care Crisis (Paperback)

By Diana Reed M.D.

AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. In this book, I hope to enlighten readers about the physician s life, and how the current medical climate has affected everything we do, every decision we make and our career satisfaction. The deterioration of the doctor-patient relationship has gotten worse and worse, fraught with mistrust from both ends of the stethoscope. If we are to turn the current situation around, we must understand the issues. My purpose in writing this book is to inform and educate people about the life of a doctor, the rigorous training involved, the daily routine of medical practice and the difficulties of reconciling the business of medicine with our ultimate goal of healing. My emphasis is on how the health care and malpractice crises affect physicians, and on how the doctor-patient relationship has suffered. Through a combination of personal reflections, surveys of physicians, statistical references and examples, I paint a picture of the physician that is more reality based than the TV shows, yet just as dramatic. This book attempts to portray physicians as people, not commodities and not technical robots, not the ultra rich and certainly not the heartless. I...
