

The Great Enterprise from a Reformed Perspective: Bringing Modern Missions Back to the Bible (Paperback)

By J. N. Bolt

Wipf Stock Publishers, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: Thoroughly God-centric and Bible-saturated, this book is a plea for the church and her missionaries to return to the biblical mandate and prescription for missionary activity. In God's infinite wisdom, he has determined to ransom men from among every tribe, tongue, people, and nation through the proclamation of the gospel. This is the greatest enterprise ever undertaken in human history, and it will culminate in success. God will see to it. The church has a principal role to play in the enterprise, but that role is not one of global philanthropy. The modern view of missionary activity has robbed missionaries of the authority to preach the gospel and has left the nations wanting of the joy of salvation . . . but there is yet time. The modern church may still find great success in the spread of the gospel to the remotest part of the earth. All that is necessary is that we would seek the revealed will of God in the Scriptures and put into practice that which it requires. Endorsements: I simply wish to thank Bolt...
