

Investing in Health: The Social and Economic Benefits of Health Care Innovation (Hardback)

By -

Emerald Publishing Limited, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. Public health has, for many years, been concerned with efforts to increase the efficiency of health care delivery, to measure changes in health care resource utilization and associated costs, and to link these changes to different types of interventions. These efforts, as well as collaboration between biopharmaceutical organizations, producers of medical devices, and managed care and public health organizations, have been enhanced by the opportunities created within the fast growing field of outcomes research. This volume presents studies contributing to the enhancement of the outcomes research paradigm by incorporating economic and social interactions within the health care delivery, clinical decision-making and outcomes systems. A multidisciplinary team of scientists in the fields of outcomes research, pharmacoconomics, public health, health services research, and health economics address such complex problems as: benefits and cost of advancements in genetic technologies; methodologies for constructing health care utilization and cost estimates; and the effect of insurance type on resource utilization and health outcomes. Other studies consider both the types of drugs purchased and the prices paid, pharmaceutical spending and health outcomes, incremental advantages of newer treatments, willingness to pay measurements. disease-specific...

Reviews

This book is really gripping and intriguing. it was writtern very perfectly and beneficial. I am easily will get a enjoyment of looking at a created ebook.

-- Jaeden Stiedemann Sr.

An extremely amazing ebook with lucid and perfect explanations. I was able to comprehended every little thing out of this written e ebook. Its been written in an extremely basic way which is simply right after i finished reading through this book in which in fact altered me, modify the way i believe.
