

Working with Public Information Officers: A Supplement to Explaining Research (Paperback)

By Dennis Meredith

Glyphus LLC, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Public Information Officers (PIOs) can be invaluable allies in your communication efforts. They can offer expert advice, as well as access to communications machinery for reaching the media and other important audiences. This guidea supplement to Explaining Research (Oxford University Press, 2010)will help you develop the most beneficial relationships with those PIOs, whether they are in your institution, at a journal, in a scientific society, or in your funding agency. Working with Public Information Officers shows how your PIO can serve as - an editorial and media relations expert who can write and distribute news releases, pitch media on story ideas, develop media strategy, and manage communication crises - an institutional ambassador who conveys to administrators the significance of your research and your positions on important issues - an educator who teaches you how to develop clear research explanations and work with media - a hard questioner who confronts you with those tough questions that you must answer if you are to preserve your reputation and advance your work. Reviews

This publication may be really worth a go through, and a lot better than other. It really is writter in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
