

## Prosperity Through Thought Force

By Bruce MacLelland

Cosimo Classics. Paperback. Condition: New. 160 pages. Dimensions: 8.8in. x 5.9in. x 0.4in. It was also observed that, as wisdom increased, the mental forces were conserved, not driven to excess, exercised but not exhausted, which increased the limit of force. Accordingly one possessing wisdom and a slight degree of force could, by properly directing that force, accomplish more than one that had greater force and a less degree of wisdom. It was seen that well-laid plans and determined efforts often brought small returns, while the great successes were the outgrowth of small beginnings. That there must be reasons for all this is self-evident. Tracing backward from effect to cause, it was easily determined that physical prowess need not be considered, since some of the greatest leaders have been slight, weak men. Then the educational line was carefully investigated, and but a few of the greatest were college bred, and some were illiterate. It was evident that the secret lay not in education. It was also noticed that some people had the ability to absorb knowledge as easily as a sponge absorbs water, yet were unable to derive any benefit from their learning, while their classmates who were unable or unwilling to...
