Harriman House Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A straightforward, winning trading method. There are certain universal chart patterns that are traced out time and time again by markets - these patterns have stood the test of time and can be instantly recognised by a skilled trader. As well as describing the method in full detail, John Burford also provides day-by-day trading diaries for four-month trading campaigns in gold and the Dow. These invaluable diaries show the mind of the trader as he surveys real-time market action and provide vital insight into how the trading method is used in real trading. If you are looking for a proven trading method that is reliable and easy to execute then Tramline Trading will put you on the right track. It is the essential new guide to a winning trading approach.
