Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A must for every restoration and / or maintenance project saving money and research time! A manual transmission interchange guide covering almost all makes and models of US built cars and light trucks from 1960 thru 1972 with some going back into the 1950 s and a few as new as 1974. This includes thousands of parts interchanges and for many of the GM, FOMOCO, MOPAR and AMERICAN MOTORS parts it includes the factory part numbers. Many parts interchange between different years, makes and models. For example a part from a 68 Ford 289 may be the same as for a 68 Ford 302 or a part from a 64 Buick may be the same as a part for 65 Chevy Impala. The makes are listed below: - AMC- Buick - Cadillac- Chevrolet Car Truck - Chrysler- Dodge Car Truck - Ford Car Truck- GMC - International Harvester- Lincoln - Mercury- Oldsmobile - Plymouth- Pontiac - Rambler This guide can not only save you money but can be a great resource for any restoration project. It is designed to assist in the purchase and identification of original equipment parts. It should save you many hours of time locating needed parts. With this guide you will know exactly what parts from which vehicles are identical. There may be no need to pay a high price for a supposedly rare part when it may be identical to many other vehicles parts.
