

The World Traveler s Book of Quizzes (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE WORLD TRAVELER S BOOK OF QUIZZES (PAPERBACK)

BookBaby, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Thirty-five twenty-question quizzes (matching and fill-ins) test the traveler s knowledge on a variety of subjects of internal travel and history, such as where famous people were born; what cities have songs, novels and poems written about them; where are the sacred places of various religions; wha do you call somebody from Glasgow (a Glaswegian) and twenty other places; what were the original names of famous cities, and what names are they known by the people who live in them? The world traveler is also quizzed about famous districts (like the Arbat in Moscow), famous streets (Ringstrasse), squares (Trafalgar), cafes (el Fishawy); hotels (Taj Mahal); rivers (Yangtze), among several other subjects. Quizzes that test that movies have been filmed in foreign locations (La Dolce Vita); what foreign city names mean in transition (Spanish for favorable breezes, or Japanese for east capital); types of local transport (where are vaporettos used?); what are city nicknames (the Big Apple); what are city pet animals (owls, or goats, or geese); where are famous parks (Chapultepec, Ueno, or Bois de Boulogne). mlf you were looking down from Coit Tower, or Burg-al-Qahiriah, what cities would you be in? If you were standing on the Karlov Most or the Rialto Bridge that cities would you be in? Airports, museums, mountains, even disasters that have visited many famous places over the centuries, among other subjects help to enliven memories of past travels and generate a bucket list of new places to see and things to do for readers of this fact-filled little book by an experienced tour guide, professor and world traveler.
