When a whisper of a trail presents itself for Rachel Stewart to track down Angelo Donati, Rachel leaps at the chance. She didn't ever imagine the trail would land her smack in the middle of a mafia scene. She finds she's a pawn in their twisted game. Angelo is different than the man she knew a few years ago, but he's still just as bad-boy-sexy, strong, and charismatic as humanly possible. His actions to save her lead them into hiding where she will be in close quarters with Angelo, a man she once loved but doesn't know if she can trust. When the enemy strikes close to home, they awaken a Heatwave in Angelo, finding first hand, there is nothing he won't do when it comes to protecting what's his.
