Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Saints under Construction is a mentoring book but might be better described as a discipleship book. God designed the older, more experienced saints to instruct the younger ones in order to cover new ground and avoid old mistakes and previous pitfalls. One purpose of mentoring or discipling is to challenge the thought process of those that are following us (or in the case of a book, reading our words). We all think and we all act out those thoughts minute by minute as we walk through our day. But do our thoughts really line up with Scripture? Saturated with Biblical references, this book lays a multifaceted foundation to build a strong faith and life for Christ and help expand, renew and refine our thought process. From how to properly read and understand the Scripture, to wondering if Paul wore a toga, you will encounter many thought-provoking ideas and challenging concepts. As you read Saints under Construction, you will be drawn closer to Christ. The Christian life is a journey full of pleasure and pain, but God is our Father and the Master Craftsman and He does not make junk or mistakes. We are His handiwork, and God is not finished with us yet. We are a work in progress and He will complete it!.
