Reviews

If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.

(Dorothy Sawayn)

ON THE TRAIL OF THE ASSASSINS: ONE MANS QUEST TO SOLVE THE MURDER OF PRESIDENT KENNEDY

Skyhorse Publishing. Paperback. Condition: New. 360 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Almost fifty years after the assassination of President John F. Kennedy, his murder continues to haunt the American psyche and stands as a turning point in our nations history. The Warren Commission rushed out its report in 1964, but questions continue to linger: Was there a conspiracy Was there a coup at the highest levels of government On March 1, 1967, New Orleans district attorney Jim Garrison shocked the world by arresting local businessman Clay Shaw for conspiracy to murder the president. His alleged co-conspirator, David Ferrie, had been found dead a few days before. Garrison charged that elements of the United States government, in particular the CIA, were behind the crime. From the beginning, his probe was virulently attacked in the media and violently denounced from Washington. His office was infiltrated and sabotaged, and witnesses disappeared and died strangely. Eventually, Shaw was acquitted after the briefest of jury deliberation and the only prosecution ever brought for the murder of President Kennedy was over. Returning to print for the first time in years, On the Trail of the Assassin the primary source material for Oliver Stones hit film JFK is Garrisons own account of his investigations into the background of Lee Harvey Oswald and the assassination of President Kennedy, and his prosecution of Clay Shaw in the trial that followed. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
