Cochrane: The Fighting Captain (Paperback)

By Robert Harvey

Little, Brown Book Group, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book. The adventures of the daring Thomas Cochrane, called the sea wolf by Napoleon, are so extraordinary that his life reads like a page-turning work of fiction. In one sense it became so, for the novelist Patrick O Brian by his own admission used Cochrane as the basis for Jack Aubrey, hero of his much-loved series of naval novels. Cochrane became a household name when in 1800 he took command of the tiny brig, the Speedy, and created mayhem in the Mediterranean earning himself and his crew a fortune in prize money. A wildly contradictory character, never less than heroic, and this lively new account of his life has sold over 7,000 copies in hardback.
