This is a rich and provocative story. -- SCHOOL LIBRARY JOURNAL  
Fourteen-year-old Chase Riley has just moved with his parents from Columbus, Ohio, to a farmhouse in the country, but it may as well be on another planet. For starters, there s a plague of cicadas, but that s nothing compared to the awesome appearance of deer in the woods -- or strapped to hunters cars. Chase seeks refuge at his computer, blasting off droll commentary, until a freak accident involving his own dog changes everything. And that s when he begins devising The Plan.
