Melville House Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. College students, recent graduates, and their parents work at Denny s, volunteer at a public library in suburban Florida, attend satanic ska/punk concerts, eat Chinese food with the homeless of New York City, and go to the same Japanese restaurant in Manhattan three times in two sleepless days, all while yearning constantly for love, a better kind of love, or something better than love, things which--much like the Loch Ness Monster--they know probably do not exist, but are rumored to exist and therefore good enough.
