AuthorHouse UK, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a collection of inspirual writings which I have written over a number of years. I feel that I was inspired to write and some people feel that the writings have given them comfort. Now I feel that I want to share with the world the words that have inspired me over the years. Most of the writings have been written in relation to my own experiences of life such as forgiveness, which I had to personally learned to do after been deeply hurt by a past relationship. Many times I have mediated over my life and wondered what it was all about but I have come to the conclusion that life is a long journey in which we learn more about ourselves and others. How to accept people the way they are. We are all on a life journey and hopefully here to learn by our mistakes and make things better. We desire to be happy and content and bring happiness to others and to enjoy life as much as we can but not to be selfish. The biggest journey of all was from my head to my heart, to my soul. Carl Jung suggests that we are born with a wealth of knowledge, a universal knowledge which we are born with I believe the soul carries this knowledge which God gave us before we were born, thus the title Soul Language. Scott Peck states that our conscious leaks bubbles of information which we already knew but has been suppressed over the years. That is why I wrote born to be free. I believe we have natural instincts and wisdom which sometimes we do not always understand. I hope...
