SERIES DESCRIPTION: In the center of Long Islands forbidden wasteland, overseen by a large and powerful corporation known as Arc Properties, is GAMELAND, a virtual reality arcade where the rich and privileged act out their base fantasies using zombies as avatars. Using remote gaming controllers which connect them to their Infected Players via neural implants (government-mandated in the event of an outbreak), Operators pit the Undead against one other in a high stakes game of money, violence, and power. For the poor, the televised action on state-controlled Media streams is horrifying yet powerfully addictive. Volunteering to become an Undead Player is strictly forbidden, but fame and money lure some to The Game. On a whim, a small group of computer hackers and gamers decides to sneak onto the island, hoping to catch a glimpse of the Uncontrolled Infecteds, unimplanted victims of the outbreak that took place there over a decade before. But while breaking in turns out to be a lot easier than any of them could have ever imagined, getting back out is one hell of a killer. As...
