Forced removal of entire populations, sieges that decimated entire cities, and wanton destruction of property were all tactics used by the various peoples of the ancient Near East against each other, but the Assyrians were the first people to make war a science. When the Assyrians are mentioned, images of war and brutality are among the first that come to mind, despite the fact that their culture prospered for nearly 2,000 years. Like a number of ancient individuals and empires in that region, the negative perception of ancient Assyrian culture was passed down through Biblical accounts, and regardless of the accuracy of the Bible's depiction of certain events, the Assyrians clearly played the role of adversary for the Israelites. Indeed, Assyria (Biblical Shinar) and the Assyrian people played an important role in many books of the Old Testament and are first mentioned in the book of Genesis: And the beginning of his kingdom was Babel and Erech, and Akkad, and Calneh, in the land of Shinar. Out of that land went forth Ashur and built Nineveh and the city Rehoboth and Kallah. (Gen. 10:10-11). Although the Biblical accounts of the Assyrians are among the most interesting and are often corroborated with...
