*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

## MOTHER S LITTLE HELPER

BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In the third novel in Karen MacLnerney s madcap series, murder proves a welcome distraction to the zany adventures and quirky characters in PI Margie Peterson s life. Private investigator/single mom Margie Peterson barely has time for breakfast, let alone to hit the gym. But when Austin Heights PTA president Pansy Parker hires her to find out who s been embezzling PTA funds, that s exactly where Margie ends up.finding Pansy dangling upside down from a Nautilus machine. But the PTA president s not alone: the dead body of a personal trainer is there, too. And now she s facing murder charges. To find out what really happened, Margie goes undercover as a Brazilian body waxer and an energy drink bottler. What she discovers stinks worse than a pair of sweaty gym socks. But that s not all. Margie s husband is living with his Madonna-impersonating boyfriend; her boss keeps setting her up on disastrous dates, including one with a vengeful sock puppet named Marshmallow; her daughter s fry phone is being held hostage; and her pet piglet, Twinkles, ran off after a sausage-smuggling streaker. Can Margie pull out the big guns to find the real killer, save the fry phone, and recover Twinkles--before it s too late?.
