WHAT IS A MATH FILE FOLDER GAME? A Math File Folder Game fits in a folder making it easy to use and ready at a moment's notice. Very few other items are required. You'll need to construct or reproduce the included game boards and have playing cards and dice handy. A few games use other types of geometric manipulatives that are standard items in most elementary and middle school classrooms. This value-packed book contains 42 math games that will give your students so much fun they'll forget they're actually learning mathematics! But don't be fooled. Just because games are exciting doesn't mean that they're not built upon solid educational benefits. Students will learn basic skills, problem solving, and critical thinking across a wide variety of...
