DIY Collection: (FREE Bonus Included) Top 37 Useful Knots And Paracord Projects With Illustrated Instructions This book gives you a great insight over the projects made of paracord and knots. The rope is smooth which can be used on daily basis as well to keep the things handy for you. You will be able to find 17 different projects in this book help you understand the weaving out of the cords. You will know a variety of knots even if you do not know the name of the knot. This is because they are in constant use in your own life and the daily situations you meet. Whether you need to tie a shoe lace, quickly tether something to the ground, or even add string to a guitar or kite; you will be using them every day. Although this basic knowledge is useful, it is surprisingly easy to build on this and discover a much bigger array of knots which can be extremely helpful in a variety of different situations. Most people assume that being able to produce a good knot is something that a sailor or mountain climber should know. Whilst these people will need a good understanding of the different knots; there are actually a limited number of knots which are essential to each of these hobbies. The actual range of knots is much larger and can be used in an array of situations; to complete things that the average person could easily have to face on a daily or weekly basis. Of course, knots are also...
