The Didasko Files RESOURCES FROM THE LAUSANNE MOVEMENT The LAUSANNE MOVEMENT is a confessional movement that seeks to articulate the role of today s Church. It links together evangelical movements around the world, and is the largest representative gathering of the Church. The DIDASKO FILES is a growing series--that takes its name from the New Testament Greek verb didasko, meaning I teach --used by those involved with the Lausanne Movement. These books are meant to serve the world s Church by helping Christians to grow in their faith. Introducing another wonderful resource from the Lausanne Movement Handling money is never easy. We must always be open to scrutiny on how it is collected and on how it is spent. The Apostle Paul sets a clear standard for the church, and the principles easily transfer to any charity or organization. Chris Wright walks us through familiar Bible passages, raising new questions about how we let biblical models shape our approach to financial responsibility. The amount of care taken by the Apostle Paul to ensure that the church was wise, generous, and prudent in collecting money and using it to support one another is remarkable in its vision and its detail.
